# MESSAGE FROM PRESIDENT, ICAI

**CA. Ranjeet Kumar Agarwal**  
President, ICAI

As the world grapples with climate change and the disruptions of AI, India's philosophy of **"Vasudhaiva Kutumbakam"** (The World is One Family) has emerged as a lighthouse. India's successful hosting of the G20 summit on this theme and the launch of the Global Biofuels Alliance demonstrate its commitment to sustainable development. Taking it forward, **the Institute of Chartered Accountants of India (ICAI) is thrilled to announce the World Forum of Accountants (WOFA), a global gathering of accounting and finance professionals dedicated to shaping the future of the profession on the theme "Accountability Meets Innovation (AI): For A Sustainable Planet" on 31st January, 1st & 2nd February, 2025 at Yashobhoomi, New Delhi.**

The mnemonic for WOFA aligns with the Sustainable Development Goals (SDGs), emphasizing the importance of caring for both the planet and its people. Topics will include AI-driven solutions, ethical considerations, policy frameworks, and collaborative efforts to ensure responsible AI for a sustainable future.

**The forum brings together different organisation of the accounting and finance profession with the common goal and a shared vision of implementing the best practices, ensuring integrity and transparency.** Over 6,000 attendees from all over the world will have the opportunity to engage in contemporary discussions, gain valuable insights, share experiences and contribute to shaping the future of the accounting profession.

Whether you are an accountant, an auditor, a financial analyst, or sustainability professional, WOFA offers an invaluable opportunity to gain insights, foster networking opportunities among delegates from around the globe.

Join us in shaping the future of accounting and finance, as we explore the opportunities and challenges presented by the emerging trends and changing dynamics.

I extend a warm welcome to all participants and look forward to a fruitful and inspiring forum.

# MESSAGE FROM VICE PRESIDENT, ICAI

**CA. Charanjot Singh Nanda**  
Vice President, ICAI

The future of finance lies at the intersection of accountability and innovation. The Institute of Chartered Accountants of India (ICAI) is proud to lead the **World Forum of Accountants (WOFA)**, providing a global platform to address the evolving landscape of finance. The theme for **WOFA 2025, "Accountability Meets Innovation (AI): For A Sustainable Planet,"** is a call to action for professionals to shape a future where technological innovation and sustainability are intertwined.

India's commitment to sustainability is deeply rooted in its heritage and reinforced by modern policies, making it a global leader in sustainable development. Through initiatives in renewable energy, green technologies, and circular economy practices, India strives to balance economic growth with environmental preservation for future generations.

As professionals in the accounting and finance sector, we must ensure that emerging technologies, such as AI, align with our core values of transparency, integrity, and ethical conduct. AI presents vast opportunities, but it is crucial that trust and accountability remain at the heart of our profession.

**WOFA 2025** offers a unique opportunity for global finance professionals to explore how we can drive sustainable change while safeguarding the values that define our profession. Discussions will focus on AI's role in enhancing transparency, advancing corporate governance, and promoting socially responsible investing—key components of sustainable finance.

We invite professionals from around the world to join us at **WOFA 2025** in **New Delhi**, where we will explore how the accounting profession can evolve to meet the demands of a changing world. Together, we will shape a future where financial soundness and sustainability go hand in hand.

I look forward to welcoming you to this landmark event, where we will collaborate to ensure that the finance sector leads both in innovation and accountability for a sustainable planet.

# MESSAGE FROM CHAIRMAN, NIRC OF ICAI

**CA. Abhinav Aggarwal**  
Chairman, NIRC of ICAI

In an era of rapid technological advancement, the accounting profession stands at a unique crossroads—one where we have the opportunity to shape a sustainable future by integrating accountability with AI-driven innovation. **As we embark on this journey, NIRC is proud to host the World Forum of Accountants (WOFA), organized by ICAI this year, from January 31st to February 2nd, 2024, at Yashobhoomi, New Delhi. This year, we come together under the transformative theme: "Accountability Meets Innovation (AI): For a Sustainable Planet."**

WOFA will bring together over 8,000 participants from across the globe, offering a platform for diverse insights and discussions on how AI solutions can address our collective responsibilities to society and the environment. Together, we will explore how to align our professional efforts with the Sustainable Development Goals (SDGs), ensuring that innovation and accountability go hand in hand.

**WOFA is not just a conference - it is a shared commitment to building a better, more sustainable world.** I look forward to welcoming you to this landmark event as we unite with a common purpose to drive progress and transformation in our profession.

## About World Forum of Accountants (WOFA)

The World Forum of Accountants (WOFA) will delve into the critical intersection of artificial intelligence (AI) and environmental sustainability. The forum will explore AI's transformative potential to address global environmental challenges, such as climate change, pollution, and resource scarcity. By examining AI-driven solutions, WOFA aims to inspire innovative approaches to environmental management and conservation.

While recognizing the immense potential of AI, the forum will also emphasize the importance of ethical and responsible AI development, to ensure that AI is deployed in a manner that benefits society and the environment. WOFA will also discuss the creation of ethical guidelines, regulations, and standards that promote responsible AI and prevent unintended negative consequences. Finally, the forum will foster discussions on international cooperation and partnerships to address global environmental challenges through AI. By promoting collaboration between governments, businesses, and academia, WOFA aims to accelerate the development and adoption of AI solutions that contribute to a sustainable future.

## About India

India is one of the oldest civilizations in the world with a kaleidoscopic variety and rich cultural heritage. It covers an area of 32, 87,263 sq. km, extending from the snow-covered Himalayan heights to the tropical rain forests of the south. As the 7th largest country in the world, India stands apart from the rest of Asia, marked off as it is by mountains and the sea, which give the country a distinct geographical entity. Bounded by the Great Himalayas in the north, it stretches southwards and at the Tropic of Cancer, tapers off into the Indian Ocean between the Bay of Bengal on the east and the Arabian Sea on the west. As you travel, India offers a range of vast tourism choices, diverse in land and nature, people, tribes, cuisine, faiths, dance forms, music, arts, crafts, adventure, sport, spirituality, history; even these vary as you move from one state to another. From world-class airports and hotels, luxurious shopping malls, restaurants, pubs and cafes to overcrowded streets and alleyways, in the same cities, filled with thousands of little shops offering every possible modern and ethnic product and native street food is a fascinating experience.

## The Land of Opportunities

One of the world's fastest-growing economies.

Most attractive destination for IT companies across the world.

One of the biggest and best business outsourcing providers in the world.

Global innovation hub and the world's largest start up ecosystem.

A country of the youth.

# Institutional Awards

## ICAI awards for Excellence in Financial Reporting

Since 1958, the Research Committee has remained dedicated to enhancing the quality of reporting practices through its esteemed 'ICAI Awards for Excellence in Financial Reporting.' These awards recognize and honor entities that demonstrate exemplary standards in reporting, including adherence to robust disclosure requirements and effective presentation.

The prime objective of organising the ICAI Awards for Excellence in Financial Reporting is to bring out the financial and non-financial information which aims to promote a culture of integrity, precision, and clarity in reporting.

## ICAI Sustainability Reporting Awards 2023-24

### Excellence in Business Responsibility and Sustainability Reporting

The Institute of Chartered Accountants of India (ICAI) is organizing the ICAI Sustainability Reporting Awards 2023-24 to celebrate Excellence in Business Responsibility and Sustainability Reporting (BRSR). These awards honor organizations that demonstrate exceptional commitment to sustainable practices, aligning with global standards and the United Nations Sustainable Development Goals (SDGs). With categories based on market capitalization—Large-Cap (Rs 20,000 crore or more), Mid-Cap (Rs 5,000 crore to Rs 20,000 crore), and Small-Cap (below Rs 5,000 crore)—and distinguishing between Manufacturing and Service Sector organizations, the awards recognize sustainability leaders across industries. Additionally, a category acknowledges organizations that voluntarily disclose BRSR, even when not mandated by SEBI. ICAI's rigorous three-tier evaluation process, involving a Technical Review, a Shield Panel, and a Jury, will evaluate the quality, transparency, and societal impact of each report. Nominations are open until 15th November 2024.

## Best Presented Financial Statements for Local Bodies

The ICAI, through its Committee on Public and Government Financial Management, has invited nominations for the Awards for the Best Presented Financial Statements for Local Bodies. The three main categories of the award are Urban Local Bodies (ULBs), Panchayats, and Smart Cities. The objective of these awards is to recognize and honor local bodies for their best-presented financial statements and to encourage competition among them to enhance their financial reporting.

# Individual Awards

## ICAI Awards

The Institute of Chartered Accountants of India (ICAI) has been recognizing exceptional Chartered Accountants in industry and business since 2007 through its prestigious ICAI Awards. These awards honor individuals who exhibit outstanding skills, dedication, and leadership, setting new benchmarks for the profession. The 18th ICAI Awards, scheduled for February 1, 2025, will continue this legacy by celebrating excellence in various categories: CA Hall of Fame, CA in Public Service, CA Global Achiever, CA Business Leader, CA CXO, CA CFO, CA Entrepreneur, and CA Special Recognition. By nominating deserving candidates, we can acknowledge their remarkable contributions, share best practices, and inspire future generations of CA professionals.

## 2nd CA Women Excellence Award

To celebrate the invaluable contributions of women Chartered Accountants, ICAI through WMEC is proud to present the 2nd CA Women Excellence Awards. These awards aim to acknowledge, appreciate and honor the contribution of women members who are at leadership position or have made substantial progress at the helm of the affairs in Corporates/ Organizations/Practice or contributed significantly to the Society at large across various fields, including CA Woman Life Time Achievement Award, CA Woman Independent Director Award, CA Woman of the Year Award, CA Woman Startup Award and CA Woman in Social Service Award. Nominations will be thoroughly evaluated by Technical Reviewers, Nomination Committee and a distinguished jury comprising of Seniors, Industry Experts, Business Executives and Eminent Leaders of the Profession.
